I have FAXed a map with the general boundary line. This boundary is close, but only gives the approximate property lines. We are locating a more accurate map of this area which may better serve your purposes. If you have an electronic version of this map in Micro station or other media, which we can manipulate, we can update your map.

The Land which borders Goodfellow Blvd is assigned to the 89th Reserve Command in Wichita, KS. We serve as the Real Estate Agency and permanent record holder for the Department of the Army, so these issues can be submitted to:
